## Why TEN Factory®?

At TEN Factory, we produce the best high-performance single and paired axle shaft kits and components available on the market today. We make drivetrain parts for your vehicle, that you can rely on.

As part of Midwest Truck & Auto Parts' Motive Gear division, TEN Factory engineers and product designers develop proprietary technical drawings and specifications that follow strict quality and strength criteria for every axle we make.

At TEN Factory, we are involved. Everyday our products are tested at Motive Gear's in-house Quality Assurance lab – the only one in the industry! We are able to align TEN Factory axle shafts and kits with Motive Gear's extensive ring and pinion and drivetrain product lines. This combination of product knowledge and experience is unmatched in the performance drivetrain industry.

## Our Warranty

The TEN Factory name comes from a TEN Year Replacement Warranty on our axle shafts. It stands for high-quality parts that are well engineered for performance, strength and durability. More importantly, it stands for an honest, hard-working effort to earn your business and stand behind every axle we make.

## Just Like You

We are driving enthusiasts just like you. At TEN Factory, our team includes off-road adventurers, street, muscle car, drag racing, and circle track racers. Wherever the race takes you, you'll find us as participants and fans. We attend many events across the country and around the world.

## TEN FACTORY WARRANTY

Midwest Truck & Auto Parts Inc.™ warrants that all new TEN Factory™ axle shafts, except as otherwise provided herein, will be free from defects in material and workmanship for the first 10 years or 100,000 miles, whichever occurs first. ALL other TEN Factory™ products carry a 1 year, 10,000 mile warranty. THIS WARRANTY WILL NOT APPLY IF ANY PART HAS BEEN MODIFIED, DAMAGED, OR IS DEFECTIVE AS A RESULT OF ANY ACCIDENT, MISUSE, IMPROPER INSTALLATION, NEGLIGENCE, REPAIR OR ALTERATION. Implied warranties, including warranties of merchantability or fitness for a particular purpose, are excluded; the entire risk as to the quality and performance of such parts is with the buyer. Should such parts prove defective following their purchase, the buyer and not the manufacturer, distributor or retailer, assumes the entire cost of all necessary servicing or repair.

THIS WARRANTY IS ONLY AVAILABLE TO THE ORIGINAL BUYER OF THE PART AND IS NON-TRANSFERABLE.

To make a warranty claim on parts, distributors should contact Midwest Truck & Auto Parts, Inc. and individuals should contact their Midwest Truck & Auto Parts Inc. distributor for a return goods authorization (RGA) number. No returns will be accepted without a RGA number. All parts should be returned to Midwest Truck & Auto Parts, Inc., freight prepaid. Midwest Truck & Auto Parts, Inc. will issue a credit equal to the original purchase price for all defective parts covered by this warranty. In the event that a warranty claim cannot be substantiated by Midwest Truck & Auto Parts, Inc., the parts will be returned to the customer freight collect.

This warranty is in lieu of all other warranties, expressed or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose and in no event will midwest be liable for incidental, special or consequential damages, including, but not limited to, any labor costs.

Disclaimer: Parts listed in this catalog are not necessarily manufactured by the original equipment manufacturer and any reference to the trademarks or part numbers of others are for cross reference informational purposes only. GM Performance Axle Kits Accept 7/16" and 1/2" Studs

PERFORMANCE CAR AXLE KITS

# CAR/SUV REPLACEMENT SINGLE AXLE KITS

TEN Factory replacement axle kits are designed as direct replacements for original equipment axle shafts without modifications. All of our single axle kits include: wheel bearings, wheel seals and factory size studs. Our TEN Factory replacement axles are made from high manganese 1541H steel, which allows for a deeper and harder heat treatment while maintaining ductility. All replacement axles include our TEN-Year replacement warranty.

10-YEAR WARRANTY

REPLACEMENT AXLES

## MOTIVE GEAR PERFORMANCE

Motive Gear Performance® manufactures the largest line of high performance ring and pinion gear options available with gear sets in a wide range of ratios for nearly every application, both on and off-road. Motive Gear Performance products can be found in the winner's circle at NHRA, IHRA, ANDRA, SODA, SCORE, and NASCAR events. The superior quality of our components is the result of years of racing development, outstanding design, and state-of-the-art manufacturing methods. Extensive testing is performed on all products. Motive Gear Performance ring and pinions are used by the top drivers and racing teams worldwide.

## MOTIVE GEAR

Motive Gear® produces the widest range of OEM replacement gears in the world today. This range includes ring and pinion gears and axle shaft options, plus internal kits, carrier and transfer cases, manual transmission components and yokes. Motive Gear products are the result of our continuous research and development program, combined with state-of-the-art manufacturing capabilities at our plants worldwide. In combination with Motive Gear's performance and axle divisions: Motive Gear Performance and TEN Factory, there simply isn't a better value in drivetrain components.

[WWW.MOTIVEGEAR.COM](http://WWW.MOTIVEGEAR.COM)

## POWERTRAX

POWERTRAX® proves that you don't have to choose between the superior traction of a locking differential and smooth handling and drive-ability of an open differential. Powertrax Lock-Right Lockers and No-Slip Traction Systems give you the best of both worlds! The Powertrax Lock-Right Locker provides outstanding traction for off-road machines and race vehicles. Powertrax No-Slip Traction Systems deliver excellent performance to street-driven cars and trucks. Both can easily be installed by home mechanics.
