The Midwest Family

Midwest Truck & Auto Parts, Inc.TM was divided into specialty divisions in order to provide better service and product lines to the entire customer base.

World AmericanTM supplies transmission, differential, brake, steering, driveline and suspension products to the global heavy duty aftermarket. World American has one of the largest selections of gear ratios and bearing kits in America. Product quality, performance, value and customer satisfaction is taken seriously and guaranteed at World American. The heavy duty product line offers a wide range of differential & transmission components, bearing kits, clutches, brake components, and steering & electrical safety components.

Motive Gear[®] (Light Duty and 4x4) was founded in 1984 and has grown into one of America's leading wholesale supplier of quality aftermarket drivetrain components for truck and car applications. Motive Gear produces and markets ring and pinion gears, axle shafts, differentials, clutches, drivetrains, bearing kits, spindle drives, manual transmission components, 4x4 components, nodular housings, transfer cases, drive chains, winches, locking hubs, lockers and much more.

Motive Gear Performance[®] was established in 1994 in an effort to provide customers with an even greater range of quality products specializing in performance differential components for street, stock car, and strip use.
