WARRANTY

Midwest Truck & Auto Parts Inc.® warrants that all new TEN Factory™ axle shafts and driveshafts (including yokes), except as otherwise provided herein, will be free from defects in material and workmanship for the first 10 years or 100,000 miles, whichever occurs first. ALL other TEN Factory™ products carry a warranty of 1 year or 50,000 miles, whichever occurs first.

THIS WARRANTY WILL NOT APPLY IF ANY PART HAS BEEN MODIFIED, DAMAGED, OR IS DEFECTIVE AS A RESULT OF ANY ACCIDENT, MISUSE, IMPROPER INSTALLATION, NEGLIGENCE, REPAIR OR ALTERATION. Implied warranties, including warranties of merchantability or fitness for a particular purpose, are excluded; the entire risk as to the quality and performance of such parts is with the buyer. Should such parts prove defective following their purchase, the buyer and not the manufacturer, distributor or retailer, assumes the entire cost of all necessary servicing or repair.

THIS WARRANTY IS ONLY AVAILABLE TO THE ORIGINAL BUYER OF THE PART AND IS NON-TRANSFERABLE.

To make a warranty claim on parts, distributors should contact TEN Factory™ and individuals should contact their TEN Factory™ distributor for a return goods authorization (RGA) number. No returns will be accepted without a RGA number. All parts should be returned to TEN Factory™, freight prepaid. TEN Factory™ will issue a credit equal to the original purchase price for all defective parts covered by this warranty. In the event that a warranty claim cannot be substantiated by TEN Factory™, the parts will be returned to the customer freight collect.

This warranty is in lieu of all other warranties, expressed or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose and in no event will TEN Factory™ be liable for incidental, special or consequential damages, including, but not limited to, any labor costs.

REPLACEMENT FRONT AXLE KITS & FRONT AXLE TUBE SEALS

When upgrading your Jeep or 4x4, upgrade your axle shafts. Remember that original equipment axle shafts are designed for factory tire sizes and moderate off road use. TEN Factory™ axle shafts have strength and durability, and they are backed with an exclusive TEN-Year real world replacement warranty.

TEN Factory's front axle tube seals for Dana® model 30/44 have been updated to do an even better job of keeping mud and debris out of your front axle tubes.

REPLACEMENT PERFORMANCE AXLE KITS

Our rear axle kits feature high manganese 1541H or 4140 chromoly steel for a "stronger than stock" axle shaft. TEN Factory engineers each axle and kit for a specific vehicle to insure a "bolt-in" performance upgrade. These kits are complete with left and right axle shaft, axle bearings and seals, and wheel press-in studs.

REPLACEMENT SINGLE AXLE KITS FOR CARS

TEN Factory replacement axle kits are designed as direct replacements for original equipment axle shafts without modifications. All of our single axle kits include: wheel bearings, wheel seals and factory size press-in studs. Our TEN Factory replacement axles are made from high manganese 1541H steel, which allows for a deeper and harder heat treatment while maintaining ductility. All replacement axles include our TEN-Year replacement warranty.
