WARRANTY

Midwest Truck & Auto Parts, Inc.® ("Midwest Truck & Auto Parts") warrants that all World American® branded products ("Product" or "Products"), except as otherwise provided herein, will be free from defects in material and workmanship for 1 year or 100,000 miles, whichever occurs first. Air springs are warranted to be free from defects in material and workmanship for 3 years, with no mileage limit.

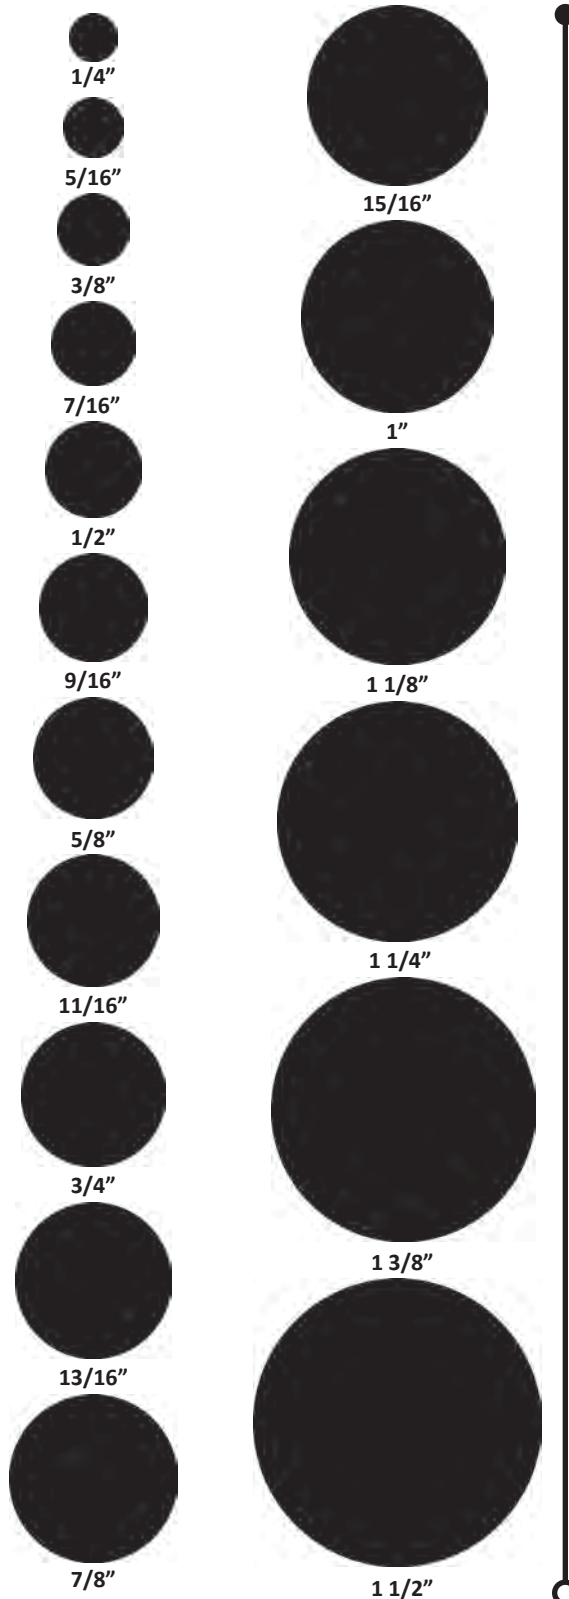

This warranty will not apply to any Product that has been modified, damaged or is defective as a result of any accident, misuse, improper installation, negligence, repair or alteration, or use in competitive applications. This warranty shall terminate immediately if ownership of the vehicle with the Product installed is transferred, or if the Product is reinstalled or reused on any subsequent vehicle.

To make a warranty claim, customers should contact their Midwest Truck and Auto Parts distributor for a return goods authorization (RGA) number. No returns will be accepted without an RGA number. All parts should be returned to Midwest Truck & Auto Parts, freight prepaid.

Midwest Truck & Auto Parts will issue a credit equal to the original purchase price for all defective Products covered by this warranty. In the event that a warranty claim cannot be substantiated by Midwest Truck & Auto Parts, the Products will be returned to the customer, freight collect.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL MIDWEST TRUCK AND AUTO PARTS BE LIABLE FOR INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES INCLUDING, BUT NOT LIMITED TO, LOST WAGES, LABOR, TOWING OR ANY RENTAL CAR COSTS.
